Dear Gentlemen:

Please find enclosed a copy of the following revised documents: *The D&D Characterization Protocol, Appendix D, Reconnaissance Level Characterization Plan, and the Pre-Demolition Survey Plan*. These documents had been revised in July in consultation with your staffs as noted in my letter to you dated August 12, 2002, (02-DOE-01112). The Colorado Department of Public Health and Environment staff discovered several errors and noted several figures that were not legible in the copies they received. We appreciate your comments and have made the corrections. The documents are being transmitted with this letter, and supercede all earlier versions. Because the purpose of the revision was only to correct minor errors, we have continued to implement the requirements in the document.

Thank you for your consideration of this matter. If you have any questions regarding the modification, please call Fred Gerdeman at (303) 966-6203.

Sincerely,

Joseph A. Legare
Assistant Manager
for Environment and Stewardship
